<b>DevFest 2021: Designing your Career in UI/UX Design</b> Alliance of Leading Programmers through Heuristic Adaptation	MAR 20, 2021 – MAR 20, 2021
<b>Industry 4.0</b> Department of Information and Communications Technology (Visayas Cluster 1)	MAR 20, 2021 – MAR 20, 2021

## EXPERIENCES

**Technical Support Staff**  
Guimaras State University – Information and Communications Technology Office

AUG 2022 – APR 2023

**Part-time Faculty**  
Guimaras State College – Computer Department

JAN 2020 – JUN 2022

## PROJECTS

<b>Portfolio</b> Website	JUL 2022
<ul style="list-style-type: none"><li>Developed using ReactJS and Tailwind CSS.</li><li>Capable of sending email using client-side technology.</li></ul>	<ul style="list-style-type: none"><li>Responsive on multiple screen sizes.</li></ul>
<b>Queuing System</b> Web-based App	JUL 2022
<ul style="list-style-type: none"><li>Developed using PHP, Bootstrap, JQuery and AJAX.</li><li>Enables organization to segment clients in different queues.</li></ul>	<ul style="list-style-type: none"><li>Manages transaction details.</li></ul>
<b>Travel Guimaras: Online Reservation System</b> Web-based App	DEC 2023
<ul style="list-style-type: none"><li>Developed using PHP, Bootstrap, JQuery, and AJAX.</li><li>Manages Resort Information and Reservation Details.</li></ul>	<ul style="list-style-type: none"><li>Generates reports.</li></ul>
<b>Barangay Profiling and Mapping System</b> Web-based App	FEB 2023
<ul style="list-style-type: none"><li>Developed using PHP, Bootstrap, JQuery, and AJAX.</li><li>Integrates a mapping module that can pin household locations.</li><li>Utilizes visualization tools (charts and graphs) to display historical data.</li></ul>	<ul style="list-style-type: none"><li>Generates reports.</li></ul>
<b>On-the-Job Training Information System</b> Web-based App	APR 2023
<ul style="list-style-type: none"><li>Developed using PHP, Bootstrap, JQuery, and AJAX.</li><li>Manages Intern's attendances and accomplished tasks.</li><li>Generates reports.</li></ul>	<ul style="list-style-type: none"><li>Generates necessary documents.</li><li>Monitors Intern's activities and progress.</li></ul>

## CONTACT INFORMATION

- 09650647123
- Buenavista, Guimaras, Philippines
- jmgadot.dev@gmail.com
- devjmg.vercel.app
- DevJMG

## TECHNICAL SKILLS

### Languages:

- HTML
- CSS
- JavaScript
- Php

### Libraries and Frameworks:

- Bootstrap
- Tailwind CSS
- JQuery
- React JS

### Development Tools:

- NPM
- Git
- Github

### Database:

- MySQL
- Firebase

### Design Tools:

- Adobe Photoshop
- Lunacy

## KEY SKILLS

- UI Designing
- Graphic Designing
- Computer Troubleshooting
- Network Management
- Database Management

## HOBBY & INTERESTS

Bicycle

Travelling

Music

Basketball
